

June 7, 1977

Dear Uncle Michel;

Shelagh and I were in Florida last week and your letter was awaiting us when we returned on June 4th. The additional documents arrived yesterday and are magnificent. I trust you know how appreciative your work is to me, and the children will all be so happy to have this information in the years ahead. Thank you is not enough for your efforts.

In response to your questions:

- 1) Gordon - Apt. 9
460 GALLAND BLVD.
DORVAL, P.Q. H.9S 3W6
TEL: RES. 631-6923
BUS. 866-7823
- 2) Jefferson - July 3, 1964
Scott - Jan. 21, 1966

As you can see, the children are growing up; in a manner that, fortunately, is encouraging.

An unfortunate development that you may not be aware of is that my Mother

has been confined to a hospital for the chronically ill. At this point in time it is dubious that she will be coming home again as around-the-clock nursing care is of necessity. The problem in a nut-shell could be called early senility, and she lost the ability to take care of herself and is out of touch with reality. Dad seems to be adjusting to the problem but it is a difficult situation.

Shelagh and I hope that should you visit Beeton again this summer, we will have the opportunity to see you both again.

Please let us know! Until then, merci encore and hello to Annette.

Sincerely,

Paul.
